

My name is Mateo Fontenot and I am 15 years old. I am a sophomore at Del Norte High School. This is my first year as a member of Del Norte FFA.

For my SAE project, I am raising a market turkey. This is my first year raising turkeys. I have had my turkey since it was a poult and the breed is a white broad breasted turkey. It has been exciting watching it grow. I have been feeding it organic feed with the goal of having a healthy and plump turkey to sell in August. I have learned that turkeys eat and drink a lot of water. I have really enjoyed my first year in FFA and have enjoyed the opportunity to raise turkeys.

The Del Norte Livestock Sale will look a little different than it has in years passed, due to the cancellation of the Del Norte County Fair. You can still help support youth livestock projects in our town though! I invite you to purchase my turkey from the sale for the lot price listed in the materials provided to you by the Del Norte County Fair. Any support you can offer as an add on would be greatly appreciated as well! Any contributions made will also be tax deductible for you and your business. If you choose to purchase my turkey, you can do so anytime between now and August 8th by contacting my parents or contacting the fairgrounds.

Thank you for your time and consideration in purchasing my animal this year from the Del Norte County Livestock Sale. I appreciate your support!

Sincerely,

Mateo Fontenot
